SUMMARY: The Iowa Coalition for Innovation & Growth (ICIG), established in 2001 by the Iowa Business Council and co-administered by the Iowa Chamber Alliance, works to competitively position Iowa as a world leader in the new economy by encouraging research, technology, business innovation, and growth throughout the state. Membership of the Coalition includes persons and organizations who desire and will work for a stronger economy in Iowa. The Coalition focuses the active commitment of its members to bring ideas to action that are directed toward the creation of a stronger, more vibrant Iowa economy. For more information about the ICIG, go to www.iowabusinesscouncil.org.
