

## **IOWA PARTNERS IN EFFICIENCY AWARD**

**TO: All Publicly Funded Department, Agency, & Institution Heads**  
**FROM: Lean Government Collaborative & the Iowa Business Council**  
**DATE: Tuesday, June 9, 2009**

The Iowa Business Council (IBC), during its 23<sup>rd</sup> Annual Partnership Meeting held in Des Moines back in January, formally recognized the 100<sup>th</sup> Lean Enterprise event conducted within State government. Teresa Hay McMahon, Administrator of the Performance Results Division of the Iowa Department of Management and Chair of the Lean Government Collaborative, received a formal acknowledgement from IBC for this accomplishment.

At that time IBC also announced the creation of the “**Iowa Partners In Efficiency Award.**” To be presented for the first time in January 2010, ***this annual honor will recognize the employees or work units in any political subdivision of local, county, or state government that, through the use of Lean tools and techniques, significantly and measurably increase productivity and promote innovation resulting in the improvement of delivery of public services to the benefit of the citizens of Iowa and the private sector.***

The purpose for creating this award is:

- to publicly acknowledge and highlight outstanding efforts at efficiency, productivity, cost avoidance, and waste elimination in government;
- to improve regulatory processes and performance targets;
- to drive economic competitiveness;
- to foster better work environments; and,
- to develop leaders and innovators with a bias for action.

Representatives of the Lean Government Collaborative will judge the entries. “The Iowa Business Council applauds the visionary state agencies that have conducted Lean events, the results of which are providing significant benefits to their departments and the constituencies they serve,” said IBC Board Chair Mel Haight, President & CEO of Pella Corporation. “With the advent of the *Partners In Efficiency Award*, we hope to encourage continued use of Lean Enterprise in the public sector as an initiative that consistently succeeds in producing effective results.”

**Please distribute this information to relevant individuals within your organization who would have an interest in submitting a nomination. Notice in newsletters and intra-office communications is encouraged, as well.**

**Award nominations will be accepted from July 1 – September 30, 2009. Finalists will be selected November 16, 2009. The winner will be announced during IBC’s 24<sup>th</sup> Annual Partnership Meeting in Des Moines on January 25, 2010.**
